The "Worldwide Buzzer" is a unique buzz bait designed with Topwater Guru, James "Worldwide" Watson. It was created to be the most versatile buzz bait ever produced. The key features start with the head design. The acoustic channel lets the blade bounce off the head, creating a unique sound that triggers fish to bite. Moving down the bait, we have a large skirt keeper, a lead bait keeper followed up with a wire bait keeper. All of this is mounted on a Victory Hook and Pro Series skirt. This versatile Buzzer can be fished right out of the box but excels with a swimbait trailer, toad, or your favorite soft plastic.
